Safety Camera Partnership

Hi, have you heard there is a house party on Saturday?

Aww, great. Where?

Over the other side of town, you'll need to drive there. But you can crash there for the night.

Ohhh. Ehhmmm. On Saturday you say. I've just remembered I've got something else on that night.

You're kidding it's going to be great - free house.

I know but it's my granny's birthday, the family are all going round to see her, I have to go.

Well, can you come after?

No, no I can't.

Come on mate, it's going to be wild.

There's something I haven't told you.

What?

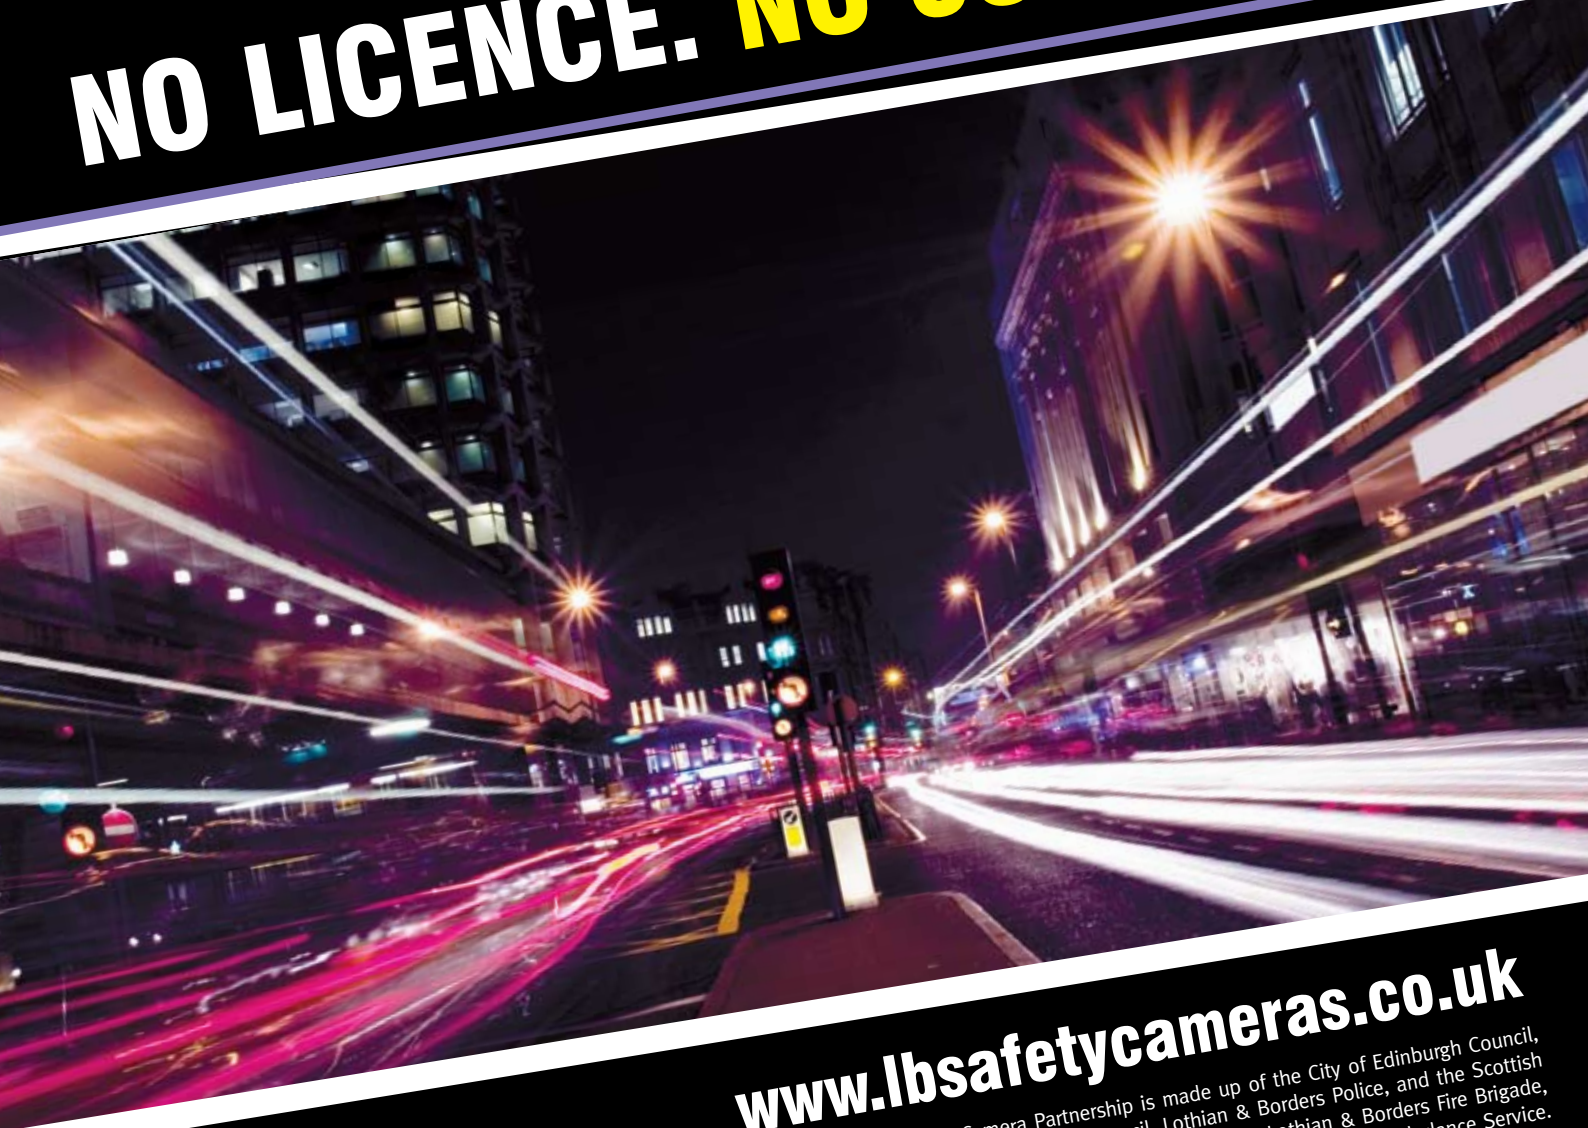

Well, can you remember I told you that I got caught for speeding?

Yeah?

Well I got banned - I can't drive. I don't have a licence.

Oh, Nightmare. Oh well. Erm, we'll see you soon.
